

Honey King

This program is game with five reels in which the symbols connected in a honeycomb pattern. The purpose of the game is to sort out as many as possible similar symbols on the winning lines.

Playing the game

At the beginning of the game we can set the value of the bet with the BET button. The value of the bet is deducted from the CREDIT after pressing the START button, the five reels starts to rotate and within a short time they will stop one by one. By pressing the HOLD button any reel can be stopped. If there was a winning combination, then its value appears in the WIN field, with the START button it goes to the CREDIT field or with the BET button to the doubling game.

Wild

The WILD (King) symbol replaces any symbol on its own and the below places, except the SCATTER (Queen). It can appear on the second and fourth reel.

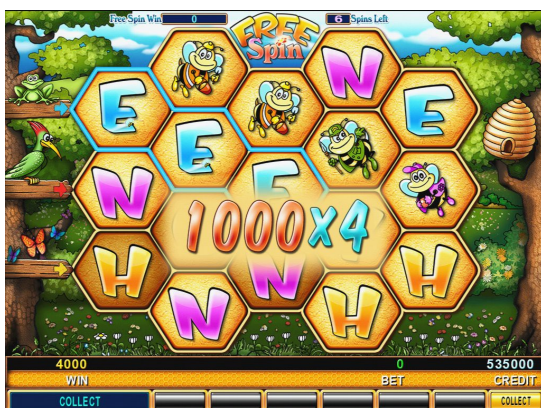

Scatter

When the SCATTER (Queen) symbol appears, then it opens a closed flower petal under it. If all of the flowers are open, the Collective Bonus game begins.

Collective bonus

First on the appearing screen the player must select 2, 4 or 6 pieces – depending from the number of the areas where the flowers opened – from the side honeycombs with the HOLD1 – HOLD5 and the START buttons and this will give the number of the free spins (between 5 and 25). From the inner honeycombs only one is selectable, it will give the multiplier value (between 2 and 8) during the free spins. After the selection, the spin begins. If during the free spins in any area all of the flowers are opened, then 10 more free spins is the reward.

HONEY bonus

If on a winning line the HONEY word appears, this triggers the bonus game. The player must choose three from the seven flowers. The reward is in the sum of the point values in the selected flowers.

Bets and reward multipliers

The winning lines starts from the three positions on the left hand side marked with arrows and can continue on the right to any neighbour cell. The lowest and highest limit of the selectable bet is adjustable by the operator. To see the Paytable press the HOLD4 button or on dual screens it is displayed on the second monitor. The base of the rewards is the line bet.
