

Night Fever 2

The game is a program with five reels and twenty winning lines, in which the computer simulation of the traditional engine powered reels realised. The purpose of the game is to sort out as many as possible similar symbols on the winning lines.

Playing the game

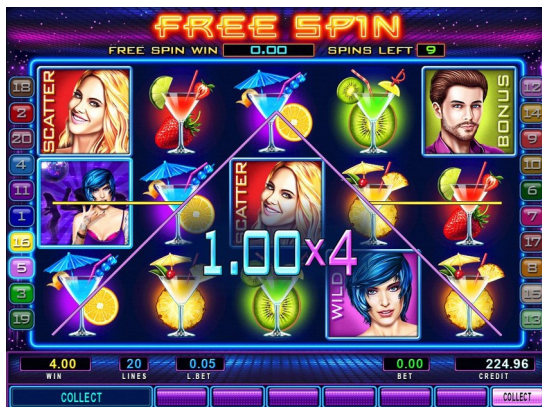

At the beginning of the game we can set the number of winning lines and the value of the bet with the BET and HOLD5 buttons. When changing the lines, the winning lines are displayed on the game field. The value of the bet is deducted from the CREDIT after pressing the START button, the five reels starts to rotate and within a short time they will stop one by one. If there was a winning combination, then its value appears in the WIN field, with the START button it goes to the CREDIT field or with the BET button to the doubling game. The WILD (Blue) symbol replaces any, except the BONUS and SCATTER, but alone it has a prize. On the given line always the bigger prize is valid.

Scatter

The SCATTER (Blond) symbol counts on the whole game field, not just only on the active lines. Three or more SCATTER symbols triggers the reward.

Mixer bonus

If on the first and fifth reel at the same time, anywhere the BONUS (Mixer boy) symbol appears, the mixer bonus game begins. First on the appearing screen the player must select from the five girls with the HOLD1 – HOLD5 and the START buttons and this will give the number of the free spins (between 5 and 20). For the girl a drink must be selected, it will give the multiplier value (between 2 and 6) during the free spins. After the selection, the spin begins with the START button. In the end of the game the reward can be credited or doubled on the usual way.

Cocktail party

If on middle of the third reel the Cocktail Party symbol appears, it starts the Cocktail party bonus game. During the next ten spins only cocktail symbols appears on the reels.

Bets and reward multipliers

The lowest and highest limit of the selectable bet is adjustable by the operator. To see the Paytable press the HOLD4 button or on dual screens it is displayed on the second monitor. The base of the rewards is the line bet, except the SCATTER prize, the base of it is the sum of all bets.
